FROM THE EAST

Brethren,

It is with profound gratitude and humility that I accept the honor of serving as your Worshipful Master for this Masonic year. As I reflect on the responsibilities entrusted to me and the rich traditions of our Craft, I am filled with enthusiasm for the work that lies ahead. Our lodge has always been a beacon of brotherly love, relief, and truth, and I am committed to building upon this foundation while expanding our reach into the community we serve. Together, we will demonstrate that Freemasonry is not merely a philosophical pursuit confined within our lodge room, but a living tradition that improves the world around us through meaningful action.

This year, we will strengthen our ties with those who serve our community by establishing connections with our city's first responders and public schools, supporting the vital work of Midnight Mission, and partnering with Heal the Bay to preserve our coastal environment. These initiatives will only succeed through your participation and dedication. I warmly invite all brethren to attend our Stated Meetings, where we will discuss these programs and the many opportunities available to serve on our various committees. Your unique talents, perspectives, and energy are needed now more than ever. Let us work together to ensure that our lodge not only endures but flourishes, making a lasting positive impact on our community and exemplifying the very best of what it means to be a Mason.

Fraternally,

*Rouman
Ebrahim*
