TRESTLEBOARD

March 2026

FROM THE EAST

Brethren,

As we move into the month of March, there is much to report on the ongoing work of our lodge — both the labor of our hands and that of our hearts.

The improvement of our temple continues apace, and the progress made in recent months is a testament to the dedication of those brethren who have given so generously of their time and energy. Our new roof is now in place, providing our lodge with the sound and lasting shelter it deserves, and our new HVAC system is being installed. We also continue to make progress on the repaving of our parking lot, an important project that will bring our facilities into full compliance with the Americans with Disabilities Act and ensure that our lodge is truly accessible to all who wish to enter its doors. When the external work is done, we will start work on interior improvements.

Our March Stated Meeting promises to be a memorable one. We are honored to announce that we will be conducting a triple initiation, as three candidates will be received into the mysteries of our Craft and begin their Masonic journey. There are few moments more moving in the life of a lodge than witnessing new brethren take their first steps upon the path that so many of us have walked before them. We encourage all to make every effort to attend and lend the dignity and fellowship of their presence to this important occasion.

Brethren, a lodge is only as strong as the brethren who are willing to do the work that sustains it. Our committees rely on active, engaged members to fulfill their important functions, and at present we need more of you to step forward and lend your talents. Whether your strengths lie in finance, fellowship, charity, or education, there is a committee that can benefit from your involvement. No experience is necessary — only a willingness to serve. Please speak with me to learn more about the committees currently active in our lodge and how you can get involved. Every brother has something to contribute, and the lodge needs all of us.

Fraternally,

Rouman
