APRIL 2024

# A MESSAGE FROM The Senior Warden

Spring is in full swing as we enter the second quarter of our year at Sunset #369. I would like to wish all of our Christian brothers a Happy Easter and all others a enjoyable start to the Spring season.

March saw our first Thrid Degree in a while, and we enjoyed raising our very own Brother Agadjanean to the Sublime Degree of Master Mason.

There is much to look forward to in April. Next weekend myself, Wor. Master Abshire, and Brother Junior Warden Ebrahim will attend the Grand Lodge Master and Warden's retreat in Anaheim, CA. I am personally looking forward to the valuable ideas and concepts shared at this retreat as it provides an opportunity for lodges from around the state to share their best practices.

Our new website has been a success not only for our members, but for our tenant lodges, who are activiley using our calander to book thier events throughout the year so that all lodge use is gathered in one convenient locaiton. If you are in charge of booking an event for your lodge at Sunset, you can reach out to our Hall Association President Bro. Mark Frank with a request, and we can add it to our calendar as soon as it is approved. Feel free to reference out calander to see all upcoming events at Sunset.

We have approved some lodge funds to be used for lodge beautification and are soon to schedule a day to put in some manual labor to improve lodge aesthetics. Stay tuned if you wish to participate!

Once again, I wish all of our Brothers a happy Spring season, and we look forward to seeing you all of our upcoming events.

## THE CROSSED KEYS

The Treasurer's jewel is the crossed keys. The installation ceremony is silent as to its symbolism. In the Roman Catholic Church, the crossed keys are a symbol associated with St. Peter, because Christ said to St. Peter that he would give him the "keys of the kingdom." As a Masonic symbol, its exoteric or open meaning is the twin sciences, moral science and physical science, a way of representing Masonic knowledge. In old Masonic texts the crossed keys are mentioned in their esoteric sense as a symbol of Anubis, the Egyptian god represented with the head of a jackal, who leads the dead to judgment and also of Osiris, the god of the underworld and the dead. The "Cross Keys" also is the name used on several English pubs. As such, the symbol of crossed keys represents hospitality. Finally, a key is a symbol of power. It represents power over wealth-to lock it up for security and unlock its container to bring it forth for use. Extending this idea, it also represents the power to admit or to exclude. The Treasurer's jewel thus reminds us that we are the guardians and conservators of Templary and of our responsibility to guard well the doors of our Asylums against the unworthy and the impious.
